

Q3: As an educator on the nagwa website, you can add your own question from “Add Question” page.

Add Question

Select Question Type

Select Grade

Select Subject

B *I* U x^1 x_1 \sqrt{x} Σ

The educator must select Question Type, Grade, and Subject to be able to write the question. If any of the mandatory fields is missing, the error msg “Please fill in the missing fields” will be raised.

After selecting them the question format will be changed according to the selected one and 3 buttons will be added to the page “CANCEL, ADD, ADD AND FINISH” as follows:

- If “Multiple Choice” is selected,
